

Directions to MIT

via Public Transportation - MBTA ("The T")

Subway - Take the Red Line subway to the Kendall/MIT Station. The Kendall/MIT Station is on the eastern side of campus, and as soon as you enter an MIT building you can get to the other buildings without going outside. See the map below for directions from the station to the relevant buildings for iQuHACK.

Bus - The #1 or Dudley/Harvard Station bus stops at MIT on Massachusetts Avenue and provides transportation to Central Square and Harvard Square (Northbound), and Boston (Southbound). The MIT stop is at a large crosswalk with a stoplight. On one side of the street are steps leading up to large Ionic columns and the small dome of MIT; on the other side of the street is the Stratton Student Center and Kresge Oval (an open, grass-covered area). Additionally, the CT1 (Crosstown bus) stops at the MIT stop on Massachusetts Avenue and the CT2 bus stops on the corner of Massachusetts Avenue and Vassar St. as well as Kendall Square T Station.

via Car

From Route I-90 (Mass Turnpike)

Follow I-90 east to the Cambridge/Brighton exit (exit 18). Following the signs to Cambridge, cross the River Street Bridge, and continue straight about 1 mile to Central Square. Turn right onto Massachusetts Avenue and follow Massachusetts Avenue for about a half mile. The main entrance to MIT will be on your left. If you cross the river again, you have gone too far.

From Route I-93

From I-93, take exit 26, and follow the signs to Back Bay along Storrow Drive West, approximately 1.5 miles, to the exit for Route 2A. The exit will be on the left, just before the Harvard Bridge (more appropriately called the Massachusetts Avenue Bridge). The Charles River will be on your right. As you cross the bridge, you will be looking at MIT - the Great Dome and academic facilities are on the right, the dormitories and athletic facilities are on the left.

Parking

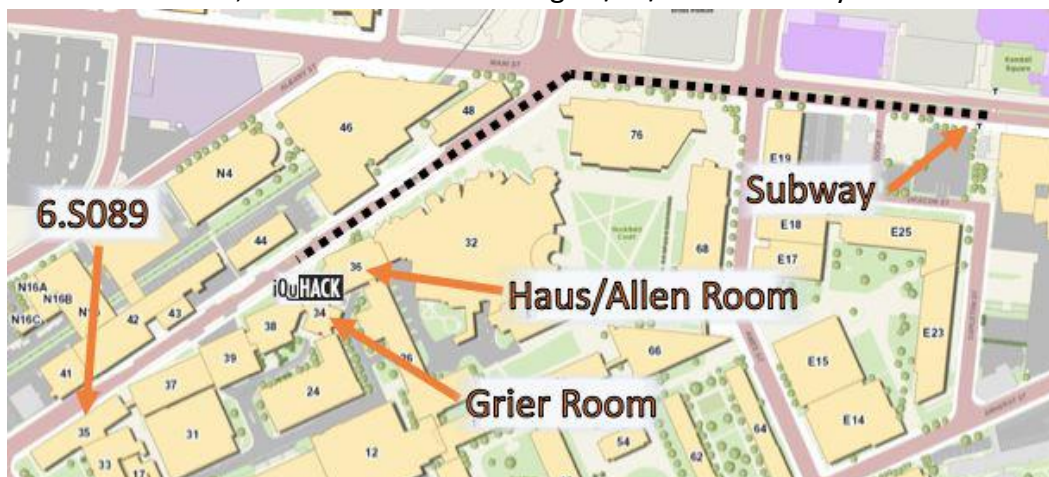

Parking in Cambridge and Boston is generally not an enjoyable experience. Whenever possible, park your car at the hotel at which you are staying, and use public transportation to get to the MIT campus. If you must drive to the campus, there is both on- and off-street parking available, but most public parking is not very close to the center of the MIT campus (unless you arrive early in the morning or late in the evening). There is metered parking on Massachusetts Avenue for short stays and evenings/weekends, as well as a number of lots at which you may park for a fee. These include Vassar St. Public Parking at the corner of Massachusetts Avenue and Vassar Street, University Park / 55 Franklin Street Garage, and the Marriott Parking Garage on Ames St. and Broadway.

Directions to iQuHACK

From the 1 Bus

From the bus stop, walk northwest down Massachusetts Avenue. Take a right onto Vassar and walk for about 3 minutes; the entrance to Building 34/36/38 will be on your right.
